

New website for Winchester Trails — Townsquare

Winchester Trails now has a new website! The Winchester Country Trails Maintenance Association has partnered with PCMI to bring a subdivision website solution to the Trails. The new website is named Townsquare, and it is developed by Nabr Network.

Townsquare is designed with features required for an official subdivision website. Listed below are just some of the features for residents:

- Receive important Winchester Trails news
- Post neighborhood news, alerts, etc.
- Start a community group of your own (study groups, mother's group, etc)
- View the resident address directory, view sub-groups (i.e. Board, Committees, etc.)
- Privately view status of your HOA account
- View community calendar
- Report a lost or found pet
- Post items for sale or giveaway in the specific Classified section

As we continue to move content from www.winchestertrails.com to the Townsquare website, the old website will be phased out.

Instructions for registering on Townsquare were mailed to residents, and if you have your email address on file, you should have already received a welcome message. If you did not retain your letter, you can still register online using the instructions below.

Your Board wants to do everything it can to make this a positive experience and valuable tool for our subdivision. With emphasis on communications, please help us achieve that goal. We are working hard towards a two-way street, where everyone gets an opportunity to discuss and promote ideas. Come be a part of that and make our neighborhood a wonderful place to live.
